

## ATCHISON'S NEW DEAL.

A Plan by the Directors to Place the Road on a Substantial Basis.

New Bonds to be Issued, and the Interests of All to be Guarded.

Various Changes in Railway Officials in Which Both Eastern and Western Railways are Interested.

Borrow, Oct. 15.—The plan of reorganization adopted by the Atchison directors was made public to-day. In an official circular it is proposed to issue new 100-year 4 per cent general mortgage bonds for \$150,000,000, to be secured by a mortgage covering all the property of the company, including all the securities representing the control of an ownership in the necessary constituent companies, and all the equipment now subject to car trust liens. All the security of their old bonds will be preserved, so the new bonds will have the protection of all the existing liens, with the addition of the completion and betterment of the properties from the new capital which is proposed to be raised. The taxes and rentals, added to the interest upon that portion of the new bonds which it is proposed to issue, will make up the annual fixed charges of \$7,352,300, which, in the directors' opinion, represents the earning power of the system this year. There is also designed to be issued 100-year income bonds for \$80,000,000, bearing interest at the rate of and not exceeding 5 per cent per annum (non-cumulative), but payable only from and to the extent of such net earnings as may be found after the fixed charges have been met within the limit of 5 per cent. This income bond is intended to provide for such reduction of interest upon the present bonds as it is found necessary to make, in order to bring the fixed charges of the company within its earning power. Subscriptions are invited at once for \$125,000,000 of the new general mortgage 4 per cent bonds, subscribers of \$500 in cash being entitled to receive a block consisting of \$1,000 new general mortgage 4 per cent, and \$100 new income 5 per cent bonds. All cash payments are to be made to Kidder, Peabody & Co., who shall hold such money in trust, not to be paid to the railroad company until it is officially announced the plan of reorganization is accepted, and the sufficient amounts required deposited to make the reorganization effective. The directors state all interests have been carefully considered and it is believed the plan will prove equitable to all. They appeal to all classes of security holders to come forward and protect the property from the disaster of bankruptcy, and state that the non-success of this proposition will inevitably result in a foreclosure.

Changes in Railway Officials.  
New York, Oct. 15.—V. H. Wade, who was general superintendent of the Wabash railway under the receivership of Gen. McNulta, has been appointed general manager of the California lines of the Atchison, Topeka & Santa Fe road, with headquarters at Los Angeles. C. O. Wheeler, at present superintendent of the Wisconsin Central, and formerly connected with the Michigan Central, is to be made general superintendent of the Santa Fe, vice D. J. Chase, resigned. The appointments take effect November 1.

Mr. Stubbs Makes a Change.  
San Francisco, Oct. 15.—J. C. Stubbs, general traffic manager of the Southern Pacific company, has resigned to accept the appointment of second vice-president of the Chicago, Milwaukee & St. Paul railway.

The use of calomel for derangements of the liver has ruined many a fine constitution. Those who, for similar troubles, have tried Ayer's Pills testify to their efficiency in thoroughly remedying the malady, without injury to the system.

One hundred and forty-two pieces of English decorated dinner set only \$14.50 at The Bee Hive.

There was a terrible epidemic of dysentery and bloody flux in Pope county, Illinois, last summer. As many as five deaths occurred in one day. Messrs. Walter Brothers, of Waltersburg, sold over 380 bottles of Colic, Cholera and Diarrhoea Remedy during this epidemic, and say they never heard of its failing in any case when the directions were followed. It was the only medicine used that did cure the worst cases. Many persons were cured by it after the doctors had given them up. Twenty-five and 50-cent bottles for sale by H. M. Pargen & Co.

Merit Wins.  
We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. R. S. Hale & Co., druggists.

Cure for Piles.  
Itching piles are known by moisture like perspiration, producing a very disagreeable itching after getting warm. This form, as well as blind, bleeding and protruding piles, yield at once to the application of Dr. Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching and effecting a permanent cure. Fifty cents. Address The Dr. Bosanko Medicine Company, Piqua, Ohio. Sold by R. S. Hale & Co.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This medicine can always be depended upon, not only in the milder forms of summer complaint, but also for malignant dysentery and cholera infantum. The lives of many persons, and especially children, are saved by it each year. It is pleasant, safe and reliable. For sale by H. M. Pargen & Co.

A gentleman who had suffered great annoyance and pain from barber's itch, and had been treated by the best physicians, without relief, says that two bottles of Dettol's Specific cured him and left his face perfectly smooth without a scar. It never fails in skin diseases. Sold by R. S. Hale & Co., wholesale and retail agents, Helena.

The Verdict Unanimous.  
W. D. Suit, druggist, Bips, Ind., testifies: "I can recommend electric bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of rheumatism of ten years' standing." Abraham

Hare, druggist, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my twenty years' experience, is electric bitters." Thousands of others have added their testimony, so that the verdict is unanimous that electric bitters do cure all diseases of the liver, kidneys or blood; only a half dollar a bottle at R. S. Hale & Co.'s drugstore.

Impurities of the blood often cause great annoyance at this season. Hood's Sarsaparilla purifies the blood, and cures all such affections.

For chapped hands, roughness of the skin, pimples or blotches of any kind on the face or other parts of the body, apply Dettol's Specific. It works like magic and is warranted by druggists. Sold by R. S. Hale & Co., wholesale and retail druggists, Helena.

## Peculiar

Peculiar in combination, proportion, and preparation of ingredients, Hood's Sarsaparilla possesses the curative value of the best known remedies of the vegetable kingdom. Peculiar in its strength and economy, Hood's Sarsaparilla is the only medicine of which can truly be said, "One Hundred Doses One Dollar." Peculiar in its medicinal merits, Hood's Sarsaparilla accomplishes cures hitherto unknown, and has won for itself the title of "The greatest blood purifier ever discovered." Peculiar in its "good name at home,"—there is more of Hood's Sarsaparilla sold in Lowell than of all other blood purifiers. Peculiar in its phenomenal record of sales abroad, no other Peculiar preparation ever attained so rapidly nor held so steadfastly the confidence of all classes of people. Peculiar in the brain-work which it represents, Hood's Sarsaparilla combines all the knowledge which modern research has to itself developed, with many years practical experience in preparing medicines.
